You can go to the Clerk of Court website (www.suwgov.org) and search the Official Records to pull up the Final Judgment. That will have the judgment amount, the legal description and possibly the address of the property. **Please note it may take a few days to be able to pull up the Final Judgment as this list is sometimes updated before the Final Judgement makes it down to recording.

You can also go to the Property Appraiser website and look it up by name to get further information.

It is your responsibility to do a search for any liens on the property you are interested in and to see if the taxes have been paid.
